If you live, work or study in Massachusetts you can use this attestation form to demonstrate you are eligible to receive the vaccine.

COVID-19 vaccine supply is limited, and is subject to prioritized phases as recommended by the Massachusetts COVID-19 Advisory Group.

Please fill out this form to confirm your eligibility to receive a COVID-19 vaccination in the current prioritization phase.

**Mass.gov has additional clarification about each prioritization category.**

Only individuals **eligible to receive the vaccine in Phase 1**, individuals **age 55 or older**, individuals with **1 or more certain medical conditions**, **residents and staff of low income and affordable senior housing**, an individual accompanying an individual 75 or over, **K-12 educators, child care workers, school staff**, and **workers in certain categories** should complete the attestation form at this time

**Find a vaccine location** - you will need to book your appointment with the site.

**What you will need at your appointment:**

Be prepared to show this attestation form at your appointment:

- Complete this form online by filling out your information below. Please provide your email address if you would like a copy emailed to you.
- It is acceptable to display the confirmation email on your phone at your appointment.
- You may print out this PDF, fill it out and bring it with you to your appointment.
- If you cannot print out the form or complete it online, you may fill it out at the vaccination site.
At your appointment you may be asked for the following information:

- Insurance card. Vaccination is free whether you have insurance or not, if you have insurance, please bring that information with you.
- Identification, examples include:
  - Employer-issued ID card that includes your name and title; or
  - Government-issued identification or license; or
  - Recent pay stub

You may get a vaccine even if you don’t have a driver’s license or a social security number.

Please identify which priority group you belong to:
- I am a health care worker (clinical or non-clinical), including in home care worker
- I work or currently reside in a skilled nursing facility, rest home, assisted living facility or a continuing care retirement community, as defined below
- I am a first responder
- I work or currently reside in a residential congregate care/shelter setting
- I am 55 years or older
- I am accompanying someone who is age 75+ to their vaccination appointment and my appointment is the same day at a mass vaccination site (Gillette, Hynes Convention Center, Eastfield Mall Springfield, DoubleTree Danvers, Natick Mall, Reggie Lewis, Dartmouth - former Circuit City)
- I have 1 or more of these certain medical conditions listed below
- I live or work in low income or affordable senior housing
- I am a K-12 educator, a child care worker, or part of a school staff
- I am a worker in one of the certain categories listed below
- None of the above, but I have documentation of receipt of my first shot & am scheduling my second
This information is not exhaustive, please visit the COVID-19 Vaccine Distribution timeline for further information about each prioritization category:

- Continuing care retirement communities listed [here are eligible for vaccine in Phase 1](#)
- First responders examples include: employees of a police department, fire department, public or private emergency medical service entity, or federal law enforcement
